

## **CARTER RAABE**

---

PARTNERSHIPS COORDINATOR

Carter Raabe graduated from Wisconsin Lutheran College with a bachelor's degree in Sports Management and Marketing while also playing baseball for four years. Carter is currently taking online classes at WLC to earn his master's degree in Sports Management. Carter was an intern at Capture before starting full-time.

As a Partnerships Coordinator here at Capture Sports & Entertainment, Carter focuses on new outreach and finding new sponsorship prospects for our clients and finding ways to make them a part of the event.

Prior to joining Capture, he worked as a game day intern for the Milwaukee Milkmen of the Americal Association.

Sports have played a large role in Carter's life as he played football, basketball, and baseball since he was a kid and has picked up golf over the last few years. Outside of sports, Carter enjoys working out, listening to music, reading, and spending time with friends and family.
